

VALUE

“It's far better to buy a wonderful company at a fair price than a fair company at a wonderful price.”

- Warren Buffett

There are plenty of new home warranty companies out there. Picking one that gives you an honest value for your dollar is the trick.

Do you go with the cheapest? Or the easiest?

Or do you go with one that's tried and true, understands the industry and has the experience and stability to weather the downturns?

If you want value, then your choice is HOME of Texas. It's just that simple!
