

BUILDER'S LIMITED WARRANTY CONDOMINIUM NOTIFICATION FORM

IMPORTANT INFORMATION:

- Occupied buildings will not be accepted into the Builder's Limited Warranty Program.
- All units within a condominium building must be enrolled and warranted.
- Only buildings that are 100% residential use will be accepted.
 - ◆ [RWC's standard warranty program can be utilized for mix-use condominium buildings].

INSTRUCTIONS:

- For each building, indicate the no. of stories and the no. of units.
- Submit a "Site Layout Plan" to the warranty company numbering the buildings as listed on the Builder's Limited Warranty Condominium Notification Form.
- RWC will establish a Condo-ID No. for each building.
- RWC will provide a Condominium Notification of Enrollment Form to complete for enrollment of the condominium units into the Builder's Limited Warranty Program.

Number of stories and units per building:
