

Due to advancements in technology and to the increasing demand for affordable homes, the manufactured housing industry has experienced continued growth. When considering a Manufacturer, homebuyers examine your reputation, the value and quality of the home and the materials, and long term peace-of-mind. MHWC offers written, insured, 10 year warranties designed specifically for the manufactured housing industry to clearly identify covered items, limitations and exclusions. This provides your buyer with much greater confidence that the purchase they made with you was sound.
